## PERSONAL:

Citizenship: Swedish  
Born: Kurdish  
Sex: Male

## LANGUAGES:

Swedish, English, Kurdish, Persian

## EDUCATION:

Doctor of Economics (in Econometrics), Gothenburg University, May 1994.  
B.Sc. in Business Administration and Economics, Uppsala University, 1984.

## EMPLOYMENT:

Mar. 2013-Present Professor of Economics, Department of Economics, Sogang University, Seoul, Korea.

- Mar. 2014-Present Professor of Economics, Jönköping International Business School, Jönköping, Sweden.
- Mar. 2010-Feb 2013 Professor of Applied Economics, College of Life Sciences and Biotechnology, Korea University, Seoul, Korea.
- Sept. 2008-Feb 2010 Professor of Economics, Technology, Management, Economics and Policy Program, College of Engineering, Seoul National University, Seoul, Korea.
- Dec. 2007-Aug. 2008 Professor of Economics, University of Kurdistan Hawler, The Federal Region of Kurdistan, Iraq.
- Sept. 2006-Nov. 2007 Professor of Economics, Head of Department of Economics and Finance and Director for Postgraduate Studies, University of Kurdistan Hawler, The Federal Region of Kurdistan, Iraq.
- February 2005 Special Chair in Economics 2005, Institute for Development Policy and Management, University of Antwerp (IDPM/UA), Antwerp, Belgium.
- Sep. 2004-Aug. 2006 Visiting Professor of Economics, Techno-Economics and Policy Program, College of Engineering, Seoul National University, Seoul, Korea.
- Jan. 2004-Aug. 2004 Professor of Economics, MTT Agrifood Research Institute, Helsinki, Finland.
- Sept. 2001-Dec. 2003 Research Fellow, The United Nations University, World Institute for Development Economics Research, UNU/WIDER, Helsinki, Finland.
- Aug. 1998-Sept. 2001 Research Fellow, Stockholm School of Economics, Stockholm, Sweden.
- July 1994-June 1998 Research Fellow, Department of Economics, Gothenburg University, Gothenburg, Sweden.
- July 1994-Dec. 1998 Research Fellow, Center for Public Sector Research, Gothenburg University, Gothenburg, Sweden.
- July 1994-June 1998 Lecturer, Department of Economics, Gothenburg University, Gothenburg, Sweden
- July 1995-June 1996 Lecturer, Jönköping International Business School, Jönköping University, Jönköping, Sweden.
- July 1993-June 1994 Assistant Professor, Department of Economics, Gothenburg University, Sweden.
- July 1990-June 1993 Doctoral Scholarship, Department of Economics, Gothenburg University, Sweden.
- July 1988-June 1990 Postgraduate Scholarship, Department of Economics, Gothenburg University, Sweden.

## **FELLOWSHIPS:**

- March 2017-Present Research Fellow, Global Labor Organization (GLO), Maastricht, The Netherlands.
- April 2012-Present Research Fellow, Economic Research Forum (ERF), Cairo, Egypt.
- Jan. 2004-Present Research Associate, Center for Excellence for Science and Innovation Studies (CESIS), Royal Institute of Technology (KTH), Stockholm, Sweden.
- April 2001-Present Research Fellow, Institute for the Study of Labor (IZA), Bonn, Germany.
- Jan. 2006-Aug. 2008 Research Associate, The RATIO Institute, Stockholm, Sweden.

- Feb. 2002-Dec. 2004 Research Professor, German Institute for Economic Research (DIW), Berlin, Germany.
- Jan. 1999-June 2003 Research Fellow, Service Research Forum, Univ. College of Gävle, Sweden.

### **MAJOR FIELDS OF INTEREST:**

Agricultural Economics, Industrial Economics, Applied Microeconomics, Applied Micro-econometrics, Panel Data Analysis, Labour Studies, Income Inequality, Poverty, Well-being, Globalization, Development Economics, Economics of Energy and Environment, Green Economics, Circular Economy, Sustainable and Smart Development, Economics of Education, Foreign Direct Investment, Dynamics of Capital Structure, Firm Dynamics, Economics of Innovation, Economics of Technology, Economics of Information and Communication Technology, Industrial Technology Policy, Technology Transfer, Performance (Efficiency, Productivity and Growth) Studies with applications to various private and public sectors producers of goods and services.

### **RESEARCH GRANTS:**

- Asian Development Bank Institute (ADBI), “Urbanization in Asia; Economics and Social Consequences”, September-December 2016.
- Swedish Entrepreneurship Forum, “Circular Economy - A Sustainable Development Strategy”, March-September 2015.
- Asian Development Bank (ADB), “Fiscal Policy and Inclusive Growth in Advanced Countries: Their Experience and Implications for Asia”, February-June 2014.
- Asian Development Bank (ADB), “Drivers of Poverty Reduction in Asia and the Pacific”, July 2013-December 2014.
- Asian Development Bank (ADB), “Analysis of Poverty in India”, October-December, 2012.
- The Korea Energy Economics Institute (KEEI), “Environmental Impacts of Foreign Direct Investment to Korea”, 2011.
- The Korea Electric Power Corporation (KEPCO), “Analysis of Consumer Baseline and Electricity Demand Response in Korea”, 2010.
- The Korea Electric Power Corporation (KEPCO), “Performance of Electricity Generation Sector in Korea”, 2009.
- The Federal Region of Kurdistan, Ministry of Water Resources, “Integrated Management of Water Resources in Kurdistan Region”, 2008.
- The Swedish National Social Insurance Board (RFV), “Sharing Pension among Married Couples in Sweden”, 2000-2001.
- Service Research Forum (TjänsteForum), “Quality of Intermediate and High School Education in Sweden”, 1999-2001.
- The Swedish Council for Research in Humanities and Social Sciences (HSFR), “Performance in Swedish Manufacturing and Service Industries”, 1998-2000.
- The Center for Public Sector Research (CEFOS), “Intermediate and High School Education in Sweden”, 1994-1998.

The Swedish Council for Forestry and Agricultural Research (SJFR), “Performance in Swedish Agriculture”, 1993/4-1995/6.

### **VISITING RESEARCHER:**

Department of Economics, Binghamton University, USA, November 2014.

International Energy Policy Program, College of Engineering, Seoul National University, June 2014.

Department of Economics, Binghamton University, USA, February 2014.

Department of Economics, Emory University, Atlanta, Georgia, USA, February 2013.

Ministry of Agriculture and Water Resources, Kurdistan Region, Iraq, January 2013.

Department of Economics, Binghamton University, USA, February 2012.

University of Kurdistan Hawler, Kurdistan Region, Iraq, January 2012.

National University of Mongolia, School of Economic Studies and Ministry of Education, Government of Mongolia, Ulaanbaatar, Mongolia, February 2011.

Soran University, Kurdistan Region, January 2011.

American University of Armenia, School of Business and Management, August 2010.

European Commission, Directorate General, Economics and Financial Affairs, Visiting Fellows Programme, February 2010.

Centre of Excellence for Science and Innovation Studies, Royal Institute of Technology, January 2010.

Department of Economics, Gothenburg University, January 2010.

Department of Economics, Binghamton University, USA, August 2009.

Centre of Excellence for Science and Innovation Studies, Royal Institute of Technology, April 2009.

Ministry of Water Resources, Federal Region of Kurdistan, Hawler, January-February 2009.

Technology Management, Economics and Policy Program, College of Engineering, Seoul National University, March 2008.

Technology Management, Economics and Policy Program, College of Engineering, Seoul National University, July-August 2007.

Government Institute for Economic Research, VATT, Helsinki, Finland, January 2006.

Department of Economics and Department of Quantitative Economics, Dongbei University of Finance and Economics, Dalian, China, April 2005.

German Institute for Economic Research (DIW), Berlin, Germany, July 2001

University of St. Gallen, St. Gallen, Switzerland, October 1999.

University of Gothenburg, Gothenburg, Sweden, June 1999, June 2000, August 2001.

University of Salerno, Salerno, Italy, April 1999.

Southern Methodist University, Dallas, USA, December 1996, October 2000.

University of Texas at Austin, Austin, USA, short periods during 1992 to 1997.

## **PUBLICATIONS**

### **A. Doctoral Thesis**

Heshmati A. (1994), “Estimating Technical Efficiency, Productivity Growth and Selectivity Bias Using Rotating Panel Data: An Application to Swedish Agriculture”, Department of Economics, Gothenburg University, Doctoral Thesis No. 50, May 1994. Principal Advisor: Professor Anders Klevmarcken, Sweden. Discussant: Professor Peter J. Schmidt, Department of Economics, Michigan State University, USA.

## **I. PRESENTATIONS**

### **I.1 International Conferences and Workshops**

"Estimation of Technical Change and TFP Growth based on Observable Technology Shifters", Asia Pacific Productivity Conference, Seoul National University, Seoul, Korea, July 4-6, 2018.

"Impact of Financial Crises on Dynamics of Capital Structure: Evidence from Korean Listed", Korea and the World Economy, Jeju, Korea, June 25-26, 2018.

"Healthy Aging as a Solution to the 'Ticking Time Bomb': Dealing with Aging Population in Urban China", Korea and the World Economy, Jeju, Korea, June 25-26, 2018.

"Impact of Financial Crises on Dynamics of Capital Structure: Evidence from Korean Listed", International Conference on Panel Data, Sogang University, Seoul, Korea, June 19-20, 2018.

"Green Employment Creation", 25<sup>th</sup> EBES (and GLO) Conference - Berlin, Germany, May 23-25, 2018.

"Measurement and Analysis of Multidimensional Well-being and Poverty in Rwanda", 25<sup>th</sup> EBES (and GLO) Conference - Berlin, Germany, May 23-25, 2018.

"Labor Market in Africa", 25<sup>th</sup> EBES (and GLO) Conference - Berlin, Germany, May 23-25, 2018.

"Measurement and Analysis of Multidimensional Well-being and Poverty in Rwanda", Addis Ababa International Conference on Economics and Business, December 6-8, 2017.

"Estimation of Technical Change and TFP Growth based on Observable Technology Shifters", International Panel Data Conference, Thessaloniki, Greece, July 6-8, 2017.

“Measurement and Analysis of Multidimensional Well-being in Rwanda”, Rebranding Research for Sustainable Development, University of Rwanda, Kigali, June 14-16, 2017.

“A Review of Circular Economy and its Implementation”, Finance, Innovation and Growth, Seoul National University, June 1-2, 2017.

“Measurement and Analysis of Urbanization Infrastructure in China”, workshop on Urbanization in Asia: Economics and Social Consequences, Sogang University, Seoul, Korea, December 15-16, 2016.

“Labor Productivity in Kenyan Manufacturing and Service Industries”, Recent Trends in Economic Development, Finance and Management Research in Eastern Africa”, University of Rwanda, Kigali, Rwanda, June 20-22, 2016.

“Education for sustainability”, International Greening Education Event 2015, Karlsruhe 21-23 October 2015.

“The dark side of economics - shadow economy and corruption as development impediments”, Recent trends in economic development, finance and management research in Eastern Africa, University of Rwanda, Kigali, Rwanda, May 5-6, 2015.

“Analysis of Determinants of Households Consumption Expenditure and Poverty in India”, Econometrics Conference in Honor of Dr. Maasoumi: Inference from Uncertain Models and Well-being, Emory University, November 15-16, 2014.

“The Causal Relationships between International Trade and Environmental Sustainability”, International Study Group on Exports and Productivity (ISGEP) Workshop, Royal Institute of Technology, Stockholm, September 25-26, 2014.

“Performance of State owned Enterprises – A Review”, The International SOE Conference, Reform & Sustainability: Local Challenges, Global Trends, Seoul, Korea, August 26-28, 2014.

“The Role of Natural Resource in Southern Kurdistan’s Economic Development”, The 3<sup>rd</sup> World Kurdish Congress, Stockholm, Sweden, October 11-13, 2013.

“Generality, State Neutrality and Unemployment in the OECD”, 9<sup>th</sup> Asia Pacific Economic Association, Osaka University, Osaka, Japan, July 26-26, 2013.

36<sup>th</sup> Annual International Association for Energy Economics (IAEE) Conference, Daegu, Korea, June 16-20, 2013.

“Health Residential Environment for the Elderly”, Health & Design Asia Pacific 2013, Khoo Teck Puat Hospital, Singapore 14-15, 2013.

“How to Write a Successful Research Proposal”, Knowledge Exchange and International Research Partnership at Nazarbayev University, Astana, Kazakhstan, 5-6 April, 2013.

“Estimation of Productivity in Korean Electric Power Plants: A Semiparametric Smooth Coefficient Model”, Conference in Memory of Lennart Hjalmarsson, Gothenburg University, Gothenburg, Sweden, December 7-8, 2012,

“A Review of the Regional Development Strategy for Kurdistan Region”, The Second World Kurdish Congress, WKC2012, Hawler, October 11-15, 2012.

2012 Japan-Korea-Taiwan International Conference on Agricultural and Resources Economics, National Chung Hsing University, Taichung, Taiwan, August 7, 2012.

International Worksop on Chinese Productivity, Tsinghua University, Beijing, China, July 14-15, 2012.

The Eighteenth International Panel Data Conference, Bank of France, Paris, France, July 4-5, 2012.

The Eighth Annual Conference of Asia Pacific Economic Association, APEA2012, Nanyang Technological University, Singapore, June 28-29, 2012.

Korea Productivity Association Meeting, KPA2011, Seoul National University, November 17-18, 2011.

The First World Kurdish Congress, WKC2011, Rotterdam, The Netherlands, October 7-9, 2011.

Harvard Project for Asian and International Relations, HPAIR 2011, Seoul, Korea, August 19-23, 2011.

European Workshop on Efficiency and Productivity Analysis (WEPA2011), Verona, Italy, June 21-24, 2011.

International Conference on Revitalizing Research in Kurdistan, Hawler, Federal Region of Kurdistan, December 14-16, 2010.

The 16<sup>th</sup> International Conference on Panel Data, Amsterdam, The Netherlands, July 2-4, 2010.

The XXIV ASEPELT 2010 Conference on Applied Economics, Alicante, Spain, June 16-19, 2010.

European Workshop on Efficiency and Productivity Analysis, Pisa, Italy, June 23-26, 2009.

Workshop on Fostering Public-Private Partnership for the Implementation of e-Governance in Municipalities of Nepal, December 28, 2008.

Workshop on Management of Water Resources in Kurdistan Region, Hawler, Federal Region of Kurdistan, August 25, 2008.

Conference on Kurds, Meridian International Center, Washington DC, May 29-30, 2008.

International Conference on the Higher Education in Iraq, Hawler, Federal Region of Kurdistan, December 11-13, 2007.

Asia Pacific Productivity Conference, Seoul National University, Seoul, Korea, August 17-19, 2006.

Asia Conference on Technology Transfer, Seoul, Korea, March 2006.

The Nordic Agriculture Productivity Workshop, Helsinki, July 2005.

The Ninth European Workshop on Productivity and Efficiency Analysis (WEPA IX), Brussels, June 2005.

Invited Speaker at The Korean Association of Productivity Analysis Conference, Seoul, June 2005.

The UNU/WIDER, Conference of Impact of Globalization of the World's Poor, Helsinki, October 2004.

The North American Productivity Workshop, NAPW2004, Toronto, June 2004.

The UNU/WIDER, Helsinki, June 2004.

The UNU/WIDER Conference on Sharing Global Prosperity, Helsinki, September 2003.

The UNU/WIDER Conference on Inequality, Poverty and Human Well-being, Helsinki, May 2003.

- The XI International Tor Vergata Conference on Banking and Finance, Rome December 2002.
- The New Economy in Development, WIDER, May 2002.
- Keynote Speaker at The 1<sup>st</sup> Hellenic Workshop on Productivity and Efficiency Measurement, University of Patras, Greece, December 2001.
- The 7<sup>th</sup> European Workshop on Efficiency and Productivity, Oviedo, Spain, September 2001.
- The 16<sup>th</sup> Annual Congress of the European Economic Association, Lausanne, Switzerland, August 2001.
- The 56<sup>th</sup> European Meeting of the Econometric Society, Lausanne, Switzerland, August 2001.
- The 9<sup>th</sup> International Conference on Panel Data, Geneva, Switzerland, June 2000.
- The 6<sup>th</sup> European Workshop on Efficiency and Productivity, Copenhagen, October 1999.
- Taipei International Conference on Efficiency and Productivity Growth, Academia Sinica, Taipei, Taiwan, July 1999.
- Econometric Evaluation of Active Labour Market Policies in Europe, ZEW Research Conference, University of Mannheim, Germany, June 1999.
- The 3<sup>rd</sup> Georgia Productivity Workshop, Terry College of Business, The University of Georgia, Athens, October 1998.
- The 13<sup>th</sup> Annual Congress of the European Economic Association, Berlin, Germany, September 1998.
- The 53<sup>rd</sup> Econometric Society European Meeting, Berlin, Germany, August-September 1998.
- The 8<sup>th</sup> International Conference on Panel Data, Gothenburg, Sweden, June 1998.
- The 67<sup>th</sup> Annual Conference of the Southern Economic Association Meeting, Atlanta, Georgia, November 1997.
- The 5<sup>th</sup> European Workshop on Productivity Analysis, Copenhagen, October 1997.
- The Econometric Society European Meeting, Toulouse, August 1997.
- The 7<sup>th</sup> International Conference on Panel Data, University of Paris, ERUDITE, Paris, France, June 1997.
- The 6<sup>th</sup> Biennial International Conference on Panel Data, University of Amsterdam, Amsterdam, The Netherlands, June 1996.
- The 4<sup>th</sup> European Productivity Workshop, Center for Operations Research and Econometrics (CORE), Universite Catholique de Louvain, Belgium, October 1995.
- Konferensen Kvalitet i kommuner och landsting, Gothenburg, Sweden, October 1995.
- The Nordic Workshop on Productivity and Efficiency, Gothenburg University, Sweden, September 1995.
- The Econometric Society Seventh World Congress, University of Tokyo, Japan, August 1995.
- The Georgia Productivity Workshop, University of Georgia, Athens, U.S.A., October 1994.
- The Econometric Society European Meeting, ESEM94, University of Limburg, Maastricht, The Netherlands, August-Sept.1994.
- The 5<sup>th</sup> Conference on Panel Data, University of Paris, ERUDITE, Paris, France, June 1994.

The Econometric Days 1994, Uppsala University, Sweden, May 1994.

The Nordic Workshop on Productivity Growth, Gothenburg University, Sweden, January 1994.

The 8<sup>th</sup> Annual Congress of the European Economic Association, EEA93, University of Helsinki, Finland, August 1993.

The Econometric Society European Meeting, ESEM93, Uppsala University, Sweden, August 1993.

The Econometric Days 1993, Stockholm University, Lovik, Sweden, May 1993.

The 1992 India and South-East Asia Meeting of the Econometric Society, The Indira Ghandi Institute of Development Research, Bombay, India, December 1992.

The Nordic Workshop on Productivity Growth, Gothenburg University, Sweden, November 1992.

The 4<sup>th</sup> Conference on Panel Data, Budapest University, Budapest, Hungary, June 1992.

The Conference on Current Issues in Productivity, The State University of New Jersey, Newark, U.S.A., December 1991.

## **I.2 Professional Seminars**

“Persistent and Transient Efficiency of International Airlines”, Department of Economics, Sogang University, March 31, 2017.

“Master’s Thesis Process and Evaluation of Quality and Results”, College of Business and Economics (UR-CBE), Gikondo, January 11, 2017.

“Master’s Thesis Process and Evaluation of Quality and Results”, College of Business and Economics (UR-CBE), Botare, January 10, 2017.

“Measurement and Analysis of Urbanization Infrastructure in China”, University of Rwanda, College of Business and Economics (UR-CBE), Gikondo, December 29, 2016.

“A Review of the Circular Economy and its Implementation”, Swedish Entrepreneurship Forum, Stockholm, Sweden, December 17, 2016.

“Research Funds, Research Proposals, Research Quality and Publications”, University of Rwanda, College of Business and Economics (UR-CBE), Gikondo, Nyagatare, Huye Campuses, December 7-9, 2015.

“A Review of the Circular Economy and its Implementation”, Center for Economic Research (CER-ETH), ETH Zürich, October 30, 2015.

“A Review of the Circular Economy”, Swedish Entrepreneurships Form, Stockholm, Sweden, June 17, 2015.

“A Review of the Circular Economy in China: Moving from Rhetoric to Implementation”, Department of Economics, Addis Ababa University, Ethiopia, December 11, 2014.

“A Review of the Circular Economy in China: Moving from Rhetoric to Implementation”, Center of Excellence for Science and innovation Studies (CESIS), Royal Institute of Technology, Stockholm, Sweden, September 12, 2014.

“Performance of State owned Enterprises – A Review”, IEPP, College of Engineering, Seoul National University, Seoul, Korea, August 25, 2014.

“A Review of the Circular Economy in China: Moving from Rhetoric to Implementation”, Jönköping International Business School, Jönköping, Sweden, June 27, 2014.

“Determinants and Policy Simulation of Firms Cooperation in Innovation”, Department of Economics, Jönköping International Business School, Jönköping, Sweden, September 16, 2013.

“A Review of the Circular Economy in China: Moving from Rhetoric to Implementation”, Department of Economics, Emory University, Atlanta, Georgia, USA, February 21, 2013.

“A Review of the Circular Economy in China: Moving from Rhetoric to Implementation”, Stockholm Environment Institute (SEI), Stockholm, Sweden, January 25, 2013.

“Agent-based Simulation of cooperative Innovation in R&D” Center of Excellence for Science and Innovation Studies (CESIS), Royal Institute of Technology (KTH), Stockholm, Sweden, January 24, 2013.

“A Review of the Regional Development Strategy for Kurdistan Region”, University of Salahadeen, Hawler, Kurdistan Region, January 21, 2013.

“A Review of the Regional Development Strategy for Kurdistan Region”, Soran University, Soran, Kurdistan Region, January 20, 2013.

Mining Industry Organization, Ulaanbaatar, Mongolia, October 5, 2012.

Department of Energy Studies, Ajou University, Suwon, Korea, March 27, 2012.

State University of New York at Binghamton, Department of Economics, February 15, 2012.

University of Kurdistan Hawler, Kurdistan Region, January 12, 15, 17 and 19, 2012.

Soran University, Soran, Kurdistan Region, January 11, 2012.

Department of Food and Resource Economics, Korea University, BK seminar, October 28, 2011.

Department of Food and Resource Economics, Korea University, Ottogi Summer Program, four lectures on Globalization, Economic Development Trends, Foreign Investment in Agriculture and Economics of Technology, August 8-19, 2011.

Korea Electric Power Corporation, KEPCO, Seoul, Korea, KEPCO, July 27, 2011.

Department of Economics, Sogang University, Seoul, Korea, May 17, 2011.

College of Engineering, Salahadeen University, Hawler, Federal Region of Kurdistan, December 18, 2010.

Department of Energy Studies, Ajou University, Suwon, Korea, November 9, 2010.

Department of Food and Resource Economics, College of Life Sciences and Biotechnology, Korea University, September 27, 2010.

Scientific Research Institute of Energy, Yerevan, Armenia, August 12, 2010.

American University of Armenia, School of Business and Management, Yerevan, Armenia, August 6 and 11, 2010.

European Commission, Directorate General, Economics and Financial Affairs, Brussels, February 23, 2010.

Center of Excellence for Science and Innovation Studies (CESIS), Royal Institute of Technology (KTH), Stockholm, Sweden, February 4, 2010.

Environmental Economics, Gothenburg University, Sweden, January 26 and 29, 2010.

Department of Economics, Orebro University, Sweden, January 25, 2010.

TEMEP, College of Engineering, Seoul National University, September 8 and October 9, 2009.

Graduate School of Economics, Waseda University, Tokyo, Japan, July 24, 2009.

Center of Excellence for Science and Innovation Studies (CESIS), Royal Institute of Technology (KTH), Stockholm, Sweden, April 22, 2009.

Prime College, Department of Management, Kathmandu, Nepal, December 31, 2008.

Management Association of Nepal (MAN), Kathmandu, Nepal, December 28, 2008.

University of Sorbonne (Paris I), Department of Development and Transition, Paris, France, April 10, 2008.

University of Kurdistan Hawler, Federal Region of Kurdistan, Hawler, Iraq, March 26, 2008.

University of Kurdistan Hawler, Federal Region of Kurdistan, Hawler, Iraq, March 5, 2008.

Joint seminar held at Techno-Economics and Management Program at Seoul National University, Seoul; and Information and Communication University, Daejeon, South Korea, July 30, 2007.

College of Business Administration, Seoul National University, Seoul, Korea, May 8, 2006.

Research Institute for Small and Medium Industries, Seoul, Korea, April 19, 2006.

Techno-Economics and Policy Program, College of Engineering, Seoul National University, Seoul, Korea, April 14, 2006.

Government Institute for Economic Research, VATT, Helsinki, Finland, January 26, 2006.

The European Institute of Japanese Studies, EIJS, Stockholm, Sweden, January 19, 2006.

Office of Labor Market Policy Evaluation, IFAU, Uppsala, Sweden, January 18, 2006.

Swedish Economic Research Institute, RATIO, Stockholm, Sweden, January 16, 2006.

The Research institute of Industrial Economics, IUI, Stockholm, Sweden, January 11, 2006.

Techno-Economics and Policy Program, College of Engineering, Seoul National University, Seoul, Korea, November 25, 2005.

Seoul University of Venture (SUV), Seoul, Korea, October 25, 2005.

Techno-Economics and Policy Program, College of Engineering, Seoul National University, Seoul, Korea, October 7 and 21, 2005.

Korea Development Institute, Seoul, Korea, September 2005.

Techno-Economics and Policy Program, College of Engineering, Seoul National University, Seoul, Korea, September 2 and 23, 2005.

Department of Economics, Dongbei University of Finance and Economics, Dalian, China, April 2005.

Korea Economic Research Institute, Seoul, Korea, April 2005.

- Department of Economics, Seoul National University, Seoul, Korea, March 2005.

### **J.3 (Co)Organizer of Workshops/Conferences**

Conference “Asia Pacific Productivity Analysis”, Seoul National University, July 4-6, 2018, co-organized.

Conference “International Panel Data Conference”, Sogang University, Seoul, Korea, June 19-20, 2018, co-organized.

Conference “Addis Ababa International Conference on Business and Economics (AAICBE) Addis Ababa, Ethiopia, December 6-8, 2017.

Conference on “Perspectives on Economic Development and Policy in Rwanda”, University of Rwanda, Kigali, Rwanda, June 14-16, 2017, co-organized with Bideri Ishuheri, and Lars Hartvigson.

Workshop on “Finance, Innovation and Green Growth”, Sogang University, Seoul, Korea, June 1-2, 2017.

Workshop on “Urbanization in Asia; Economics and Social Consequences”, Sogang University, Seoul, Korea, December 15-16, 2016.

Conference on “Recent Trends in Economic Development, Finance and Management Research in Eastern Africa”, University of Rwanda, Kigali, Rwanda, June 20-22, 2016, co-organized with Rama Rao, Francesco Chirico, Bideri Ishuheri, and Lars Hartvigson.

Conference on “Recent Trends in Economic Development, Finance and Management Research in Eastern Africa”, University of Rwanda, Kigali, Rwanda, May 4-6, 2015, co-organized with Rama Rao, Francesco Chirico, Chika Ezeanya, and Lars Hartvigson.

World Kurdish Congress WKC2013, Stockholm, Sweden, October 12-14, 2013, co-organized with Alan Dilani.

Workshop on “Poverty Reduction in Asia: Drivers, Best practices and Policy Initiatives”, Sogang University, Seoul, South Korea, August 23-24, 2013, co-organized with Esfandiar Maasoumi.

Symposium in Memory of Lennart Hjalmarsson, Gothenburg University, December 7-8, 2012, co-organized with Arne Bigsten, Finn Forsund, Subal C. Kumbhakar and Hans Loof.

World Kurdish Congress WKC2012, Erbil, Kurdistan Region, October 12-15, 2012 co-organized with Alan Dilani.

World Kurdish Congress WKC2011, Rotterdam, The Netherlands, October 7-9, 2011 co-organized with Alan Dilani.

Workshop on Cost-Benefit Analysis of Water Projects, Ministry of Water Resources, Federal Region of Kurdistan, Hawler, February 09-10, 2009.

Workshop on Industrial Technology Policy, TEMEP, Seoul National University, December 12-13, 2008.

Workshop on Theory of Productivity Analysis, TEMEP, Seoul National University, December 13, 2008.

Workshop on Management of Water Resources at Iraqi Kurdistan Region, Hawler, Federal Region of Kurdistan, August 25, 2008, co-organized with Ministry of Water Resources.

International Conference on the Higher Education in Iraq, Hawler, Federal Region of Kurdistan, December 11-13, 2007, Member of the Local Organisation Committee.

Asia Pacific Productivity Conference, Seoul National University, Seoul, Korea, August 17-19, 2006, co-organized with Jeong-Dong Lee.

Workshop on Econometric Analysis of Technology Policy, TEPP, Seoul National University, June 20, 2006.

Workshop on Industrial Technology Policy, TEPP, Seoul National University, June 19, 2006.

Workshop on Econometric Analysis of Industrial Technology Policy, TEPP, Seoul National University, December 16, 2005.

Workshop on Econometric Analysis of Industrial Technology Policy, TEPP, Seoul National University, June 17, 2005.

Workshop on Applied Microeconomics and Applied Microeconometrics, TEPP, Seoul National University, December 21, 2004.

Workshop on Performance Analysis, University of Helsinki, Faculty of Agriculture, September 7, 2004, co-organized with John Sumelius.

Workshop on Utilization of Panel Data in Agriculture, University of Helsinki, Faculty of Agriculture, September 2003, co-organized with John Sumelius.

UNU/WIDER Conference on Inequality, Poverty and Human Well-being, Helsinki, May 30-31, 2003, co-organized with Anthony Shorrocks and Mark McGillivray.

Workshop on Topics in Applied Microeconometrics, The United Nations University, WIDER, March 15, 2003.

Workshop on Topics in Applied Microeconometrics, Stockholm School of Economics, March 12, 2001.

Workshop on Microdata Econometrics, Stockholm School of Economics, October 5, 2000.

Workshop on Microdata Econometrics - Panel Data and Discrete Choice Analysis, Stockholm School of Economics, September 15, 1999.

The Eighth International Conference on Panel Data, Department of Economics, Gothenburg University, June 10-12, 1998, co-organized with Lennart Hjalmarsson.

Workshop on the Econometric Analysis of Panel Data, Department of Economics, Gothenburg University, February 5-6, 1997.

Workshop on the Econometric Analysis of Panel Data, Department of Economics, Gothenburg University, May 14, 1996.

#### **J.4 Membership of Professional Associations**

Global Labour Organization (GLO), since 2016.

Institute for the Study of Labour (IZA) since 2000.

Rural Economic Society of Korea, 2012.

Member of the Higher Economic Council, Kurdistan Regional Government, Federal Region of Kurdistan, Iraq, from July 2007 to August 2008.

Member of Scientific Committee of the International Conference on Panel Data, 1998, 2000, 2002, 2004, 2005-2012.

Member of Scientific Committee of the Service Research Forum, University College of Gävle, Sweden, 1999-2003.

The Swedish Economic Club, 1995-2001.

The Econometric Society, 1992-1998, 2009.

The European Economic Association, 1992-1998, 2009.

#### **J.5 Consulting**

Asian Development Bank (ADB), in relation with “Urbanization in Asia: Economics and Social Consequences”, September 2016 March 2017.

Swedish Entrepreneurship Forum (SEF), in relation with “A Review of the Circular Economy and its Implementation”, June-October 2015.

Asian Development Bank (ADB), in relation with “Fiscal Policy and Inclusive Growth in Advanced Countries: The Experience and Implications for Asia”, January-February 2014.

Asian Development Bank (ADB), in relation with “Poverty in India”, September-December 2012.

Korea Energy Economics Institute (KEEI), in relation with analysis of “Foreign Direct Investment and its Growth, Performance and Environmental Impacts in Korea”, September-December, 2011.

Korea Electric Power Corporation (KEPCO), in relation with “Analysis of Power Plants’ Performance in the Korean Electricity Industry”, March-December 2009.

The Ministry of Water Resources, Federal Region of Kurdistan, Iraq, in relation with “Management of Water Resources in Kurdistan Region”, July-September, 2008.

The US Aid, Research Triangle Institute (USAID/RTI), in relation with “Evaluation of the Kurdistan Economic Development Assessment Plan (KEDAP)”, December 2007 to February 2008.

The United Nations University, The World Institute for Development Economics Research, UNU/WIDER, in relation with the “Rehabilitation and Reconstruction of Iraq”, March-May 2004.

The Swedish Institute, in relation with the “Evaluation of the needs of a Higher Education System”, August 2002, and Teaching Microeconometrics at Postgraduate level, December 2003.

The National Social Insurance Board (Riksförsäkringsverket), in relation with the "Evaluation of Dental Care Reform", December 1999 - February 2000.

The National Social Insurance Board (Riksförsäkringsverket), in relation with an investigation concerning "Cost Effectiveness of the Local Social Insurance Offices", March 1999.

The Swedish Agency for Administrative Development (Statskontoret), in relation with "Analysis of organization and costs in production of school education, elderly care, day care and health care services by municipalities", August-December 1996.

The National Social Insurance Board (Riksförsäkringsverket), in relation with an investigation concerning "Introduction of a new system of sharing pensions between married couples", February-May 1993.

## **K. TEACHING AND SUPERVISION**

### **K.1 Teaching Experience**

#### **Teaching in 2018:**

“Principles of Microeconomics”, Department of Economics, Sogang University, September-December 2018, Undergraduate Course, scheduled.

“Environmental Economics”, Department of Economics, Sogang University, September-December, 2018, Undergraduate Course, scheduled.

“Principles of Microeconomics”, Department of Economics, Sogang University, March-June 2018, Undergraduate Course.

“Environmental Economics”, Department of Economics, Sogang University, March-June 2018, Graduate Course.

**Teaching in 2017:**

“Advanced Microeconomics”, College of Business and Economics, Rwanda University, December 2016-January 2017, Graduate Course.

“International Trade Theory”, Jönköping International Business School, Jönköping University, Sweden, January-March 2017, Undergraduate Course.

“Advanced Econometrics”, Jönköping International Business School, Jönköping University, Sweden, March-June 2017, PhD Course.

“Macroeconomics”, Department of Economics, Sogang University, September-December 2017, Undergraduate Course.

“Principles of Microeconomics”, Department of Economics, Sogang University, September-December, 2017, Undergraduate Course.

“Macroeconomics”, Department of Economics, Sogang University, March-June 2017, Undergraduate Course.

“Environmental Economics”, Department of Economics, Sogang University, March-June 2017, Graduate Course.

“Development Economics II”, Addis Ababa University, Addis Ababa, Ethiopia, March-June 2017, PhD Course.

**Teaching in 2016:**

“Macroeconomics”, Department of Economics, Sogang University, September-December 2016, Undergraduate Course.

“Principles of Microeconomics”, Department of Economics, Sogang University, September-December, 2016, Undergraduate Course.

“Environmental Economics”, Department of Economics, Sogang University, March-June 2016, Graduate Course.

“Macroeconomics”, Department of Economics, Sogang University, March-June 2016, Undergraduate Course.

“Advanced Econometrics”, Jönköping International Business School, Jönköping University, Sweden, March-June 2016, PhD Course.

“International Trade Theory”, Jönköping International Business School, Jönköping University, Sweden, January-March 2016, Undergraduate Course.

**Teaching in 2015:**

“Advanced Microeconomics”, College of Business and Economics, Rwanda University, November-December 2015, Graduate Course.

“Green Economics”, Department of Industrial Economics, Royal Institute of Technology, September-October 2015, Graduate Course.

“Advanced Industrial Organization”, Jönköping International Business School, Jönköping University, Sweden, September-October 2015, Undergraduate Course.

“Advanced Econometrics”, Jönköping International Business School, Jönköping University, Sweden, March-May 2015, PhD Course.

“International Trade Theory”, Jönköping International Business School, Jönköping University, Sweden, January-March 2015, Undergraduate Course.

#### **Teaching in 2014:**

“Development Economics I and II”, Addis Ababa University, Addis Ababa, Ethiopia, December 2014, Graduate Course.

“Advanced Industrial Organization”, Jönköping International Business School, Jönköping University, Sweden, September-October 2014, Undergraduate Course.

“Energy Economics and Policy”, International Energy Policy Program, College of Engineering, Seoul National University, May-June, 2014, Graduate Course.

#### **Teaching in 2013:**

“Green Economics”, Department of Economics, Sogang University, September-December, 2013, Graduate Course.

“Principles of Microeconomics”, Department of Economics, Sogang University, September-December, 2013, Undergraduate Course.

“Technological Economics ECO3003-01”, Department of Economics, Sogang University, March-June 2013, Undergraduate Course.

“Macroeconomics ECO2007-08”, Department of Economics, Sogang University, March-June 2013, Undergraduate Course.

#### **Teaching in 2012:**

“Advanced Macroeconomics”, College of Life Sciences, Korea University, September-December 2012, Postgraduate Course.

“Technological Economics”, College of Life Sciences, Korea University, September-December 2012, Undergraduate Course.

“Surveys of Macroeconomics”, College of Life Sciences, Korea University, September-December 2012, Undergraduate Course.

“Green Economics”, College of Life Sciences, Korea University, March-June 2012, Postgraduate Course.

“Principles of Microeconomics”, College of Life Sciences, Korea University, March-June 2012, Undergraduate Course.

#### **Teaching in 2011:**

“Application of Panel Data Econometrics to Industrial Development”, College of Life Sciences, Korea University, September-December 2011, Postgraduate Course.

“Surveys of Macroeconomics”, College of Life Sciences, Korea University, September-December 2011, Undergraduate Course.

“Technological Economics”, College of Life Sciences, Korea University, September-December 2011, Undergraduate Course.

“Advanced Macroeconomics”, College of Life Sciences, Korea University, March-June 2011, Postgraduate Course.

“Principles of Microeconomics”, College of Life Sciences, Korea University, March-June 2011, Undergraduate Course.

“Principles of National Development”, Soran University, January 2011, and National University of Mongolia, February 2011, Postgraduate Intensive Course.

**Teaching in 2010:**

“Application of Panel Data Econometrics to Industrial Development”, College of Life Sciences, Korea University, September-December 2010, Postgraduate Course.

“Surveys of Macroeconomics”, College of Life Sciences, Korea University, September-December 2010, Undergraduate Course.

“Technological Economics”, College of Life Sciences, Korea University, September-December 2010, Undergraduate Course.

“Advanced Macroeconomics”, College of Life Sciences, Korea University, March-June 2010, Postgraduate Course.

“Principles of Microeconomics”, College of Life Sciences, Korea University, March-June 2010, Undergraduate Course.

“Intermediate Econometrics”, TEMEP, College of Engineering, Seoul National University, March-June 2010, Postgraduate Course.

“Methodologies for Technology Management, Economics and Policy”, TEMEP, College of Engineering, Seoul National University, March-June 2010, Postgraduate Course.

**Teaching in 2009:**

“Theory of Productivity and Applications”, TEMEP, College of Engineering, Seoul National University, Postgraduate Course, Fall 2009.

“Industrial Technology Policy”, TEMEP, College of Engineering, Seoul National University, Postgraduate Course, Fall 2009.

“Introductory Econometrics”, TEMEP, College of Engineering, Seoul National University, May-June 2009, Postgraduate Course.

“Principles of National Development”, TEMEP, College of Engineering, Seoul National University, Postgraduate Course, Spring 2009.

“Methodologies for Technology Management, Economics and Policy”, TEMEP, College of Engineering, Seoul National University, Postgraduate Course, Spring 2009.

“Cost-Benefit Analysis of Public Projects”, Ministry of Water Resources, Federal Region of Kurdistan, Hawler, January-February 2009.

**Teaching in 2008:**

“Theory of Productivity and Applications”, TEMEP, College of Engineering, Seoul National University, Postgraduate Course.

“Industrial Technology Policy”, TEMEP, College of Engineering, Seoul National University, Postgraduate Course.

“Microeconomics”, University of Kurdistan Hawler, February to June 2008, Undergraduate Course.

“Introductory Econometrics”, University of Kurdistan Hawler, February to June 2008, Postgraduate Course.

“Intermediate Econometrics”, University of Kurdistan Hawler, February to June 2008, Postgraduate Course.

**Teaching in 2007:**

“Microeconomics”, University of Kurdistan Hawler, October 2007 to February 2008, Undergraduate Course.

“Microeconomics”, University of Kurdistan Hawler, October 2007 to February 2008, Postgraduate Course.

“Lectures on Frontier Production Function Analysis and Panel Data” at the Center for Excellence for Science and Innovation Studies (CESIS), Royal Institute of Technology (KTH), Stockholm, Sweden, October 24-25, 2007.

“Introductory Econometrics”, University of Kurdistan Hawler, April-June 2007, Postgraduate Course.

“Microeconomics”, University of Kurdistan Hawler, April-June 2007, Postgraduate Course.

**Teaching in 2006:**

“Advanced Efficiency and Productivity Analysis: With Applications to the Korean Economy”, Techno-Economics and Policy Program, Seoul National University, March-June 2006, Postgraduate Course given jointly with Jeong-Dong Lee.

“Industrial Technology Policy”, Techno-Economics and Policy Program, Seoul National University, March-June 2006, Postgraduate Course.

“Econometric Analysis of Technology Policy”, Techno-Economics and Policy Program, Seoul National University, March-June 2006, Postgraduate Course.

“Lectures on Dynamics of Capital Structure and Evaluation of Credit Guarantees” at the Center for Excellence for Science and Innovation Studies (CESIS), Royal Institute of Technology (KTH), Stockholm, Sweden, January 30, 2006.

**Teaching in 2005:**

“Technology Policy”, Techno-Economics and Policy Program, Seoul National University, September-December 2005, Postgraduate Course.

“Methods in Science and Technology”, Techno-Economics and Policy Program, Seoul National University, September-December 2005, Postgraduate Course.

“Topics in Applied Economics”, an elective part of the postgraduate programs in Economics and Finance offered at Department of Economics and Department of Quantitative Economics, Dongbei University of Finance and Economics, Dalian, China.

“Industrial Technology Policy”, Techno-Economics and Policy Program, Seoul National University, March-June 2005, Postgraduate Course.

“Econometric Analysis of Technology Policy”, Techno-Economics and Policy Program, Seoul National University, March-June 2005, Postgraduate Course.

“Globalization, Growth, Inequality and Poverty”, an elective part of the three MA programs: Globalization, Governance, and Development Evaluation, offered as holder of 2005 Special Chair in Economics at Institute for Development Policy and Management (UA-IDPM), University of Antwerp.

#### **Teaching in 2004:**

“Applied Microeconomics”, Techno-Economics and Policy Program, Seoul National University, September-December 2004, Advanced postgraduate course.

“Advanced Applied Microeconometrics”, Techno-Economics and Policy Program, Seoul National University, September-December 2004, Advanced postgraduate course.

“Performance Analysis: A Parametric Approach with Applications to Agriculture, Manufacturing and Services”, Helsinki University, Faculty of Forestry and Agriculture, June 2004, Advanced postgraduate course given jointly with Professor Subal Kumbhakar, University of Binghamton.

#### **Teaching in 1994-2003:**

“Utilization of Panel Data in Agriculture”, Helsinki University, Faculty of Forestry and Agriculture, June 2003, Advanced postgraduate course given jointly with Professor Cheng Hsiao, University of Southern California.

“Topics in Applied Microeconometrics”, Stockholm School of Economics (2000), Helsinki University (2002) and Dohuk University (2002), Advanced postgraduate course.

“Microdata Econometrics”, Stockholm School of Economics (1999 and 2000), Advanced postgraduate course.

“Productivity Analysis”, Gothenburg University (1994) and Stockholm School of Economics (1999), Postgraduate course.

“Econometric Analysis of Panel Data”, Gothenburg University (1996, 1997 and 1998), and Stockholm School of Economics (2000 and 2001), Advanced postgraduate course.

“Econometric Analysis”, Jönköping University (1996), Postgraduate course.

“Basic Statistics”, Jönköping University (1995), Undergraduate course.

## **K.2 Supervision and Evaluation of M.Sc. and Ph.D. Thesis**

### **Ph.D. Thesis:**

Member of the Evaluation Committee of the Ph.D. Thesis in Technology Management by Omer Gabreel, “Information and Communication Technology for Development and Bridging the Digital Divide: A Holistic Stepwise Development Approach to Developing Knowledge-based economies and artefact”, Seoul National University, Defended on July 2, 2018.

Member of the Evaluation Committee of the Ph.D. Thesis in Technology Management by Woolrim Lee, “Social-Network-Analysis-Based Models for Innovation Research”, Seoul National University, Defended on June 12, 2018.

External Examiner of the Ph.D. Candidate Aimable Nsabimana, “Essays on Household Demand and Agricultural Policy Implications in Developing Countries”, Swedish University of Agricultural Sciences, Uppsala, Sweden, Defended on May 27, 2018.

Deputy Advisor of PhD Thesis in Development Economics by Goran Mustafa Muhamad, “Private Sector Development in Kurdistan Region of Iraq: Lessons Learnt from the Role of the Government in Emerging Economies”, University of Kurdistan at Hawler, Erbil, Kurdistan Region of Iraq, Expected completion 2021.

Advisor of PhD Thesis in Development Economics by Guta Legesse, “Determinants of Firms Growth and Performance in Ethiopia”, Addis Ababa University and Jönköping International Business School, Expected completion 2020.

Advisor of PhD Thesis in Development Economics by Selamawit Gebreegziabher, “The Path to Industrialization in Ethiopia and Assessment of the Industry Sectors Performance”, Addis Ababa University and Jönköping International Business School, Expected completion 2020.

Advisor of PhD Thesis in Development Economics by Tesegaye Mulugeta, “Impacts of Improved Agricultural Technology Adoption on Multidimensional Poverty in Rural Ethiopia”, Addis Ababa University and Jönköping International Business School, Expected completion 2020.

Advisor of PhD Thesis in Development Economics by Yonothan Desalegn, “Household Welfare and Farm and Non-Farm Incomes in Rural Ethiopia”, Addis Ababa University and Jönköping International Business School, Expected completion 2020.

Deputy Advisor of PhD Thesis in Development Economics by Kokeb Georgis, “International Migration, Remittances and Labor Market in Ethiopia”, Addis Ababa University and Jönköping International Business School, expected completion 2018, Expected completion 2019.

Deputy Advisor of PhD Thesis in Development Economics by Yvonne Umulisa, “Effects of Common Currency on Intra-Regional Trade”, University of Rwanda and Jönköping International Business School, expected completion 2019.

Advisor of PhD Thesis in Development Economics by Getu Tigre, “Multidimensional Poverty and Its Dynamics in Ethiopia”, Addis Ababa University and Jönköping International Business School, expected completion 2018.

Advisor of PhD Thesis in Development Economics by Yemane Michael, “The Impact of VAT on Poverty Reduction, Income Inequality and Economic Welfare in Ethiopia”, Addis Ababa University and Jönköping International Business School, expected defend 2018.

Advisor of PhD Thesis in Development Economics by Oumer Berssiso, “Impact of Climate Variation on Cereal Crops Productivity, Efficiency, Food Security inf Ethiopia”, Addis Ababa University and Jönköping International Business School, Defend on February 2018.

Advisor of PhD Thesis in Development Economics by Mekonnen Bersisa, “Essays on Energy Sector of Ethiopia”, Addis Ababa University and Jönköping International Business School, Defended on October 2017.

Advisor of PhD Thesis in Development Economics by Atnafu Gebremeskel, “The relationship between bank loan and income distribution in agent based modelling”, Addis Ababa University and Jönköping International Business School, Defended on April 2017.

Discussant of Pardis Nabavi PhD thesis “Essays on Firms Innovation, Knowledge Acquisition and Productivity”, Royal Institute of Technology, Stockholm, Pre-defence seminar, December 19, 2014.

External Examiner of the Ph.D. Candidate Sandip Sarkar “Complete and partial ordering approaches in the context of poverty ordering and on the impact of growth and inequality on poverty: A study on India”, Indian Statistical Institute, Kolkata, India, March 2015.

Member of the Evaluation Committee of the Ph.D. Thesis in Economics by Kristofer Månsson, “Essays on Nonlinearities and Time Scales in Macroeconomics and Finance”, Jönköping International Business School, Defended on April 2014.

Member of the Evaluation Committee of the Ph.D. Thesis in Engineering by Shahrouz Abolhosseini, “The Impact of Renewable Energy Development on Carbon Emission Reduction”, Seoul National University, Defended on December 2013.

Member of the Evaluation Committee of the Ph.D. Thesis in Engineering by Netsanet Haile, “Evaluation of Value Creation in IT Service Platforms: Analysis based on Simulation and Structural Equation Modelling”, Seoul National University, Defended on December 2013.

Advisor of Ph.D. Thesis in Economics by Nabaz Khayyat, “Exploring Demand for Energy in South Korean Industries”, Swiss Management Center University, Switzerland, to be Defended on October 9, 2013.

Discussant of Kristofer Månsson PhD thesis “Essays on Nonlinearities and Time Scales in Macroeconomics and Finance”, Jönköping International Business School, Jönköping, Sweden, Pre-defence seminar, September 17, 2013.

External Examiner of the Ph.D. Candidate Behrouz Arabi “Modeling Eco-Efficiency Changes with Heterogeneous Firms: An Application in Power Plants”, University of Malaya, Malaysia, April 2013.

Discussant of Daniel Halvarsson PhD thesis “Firm Dynamics: The Size and Growth Distribution of firms”, Royal Institute of Technology, Stockholm, Sweden, Pre-defence seminar, January 26, 2012.

Advisor of Ph.D. Thesis in Economics by Radoslaw Okulski, “Time Series Analysis of Airlines Industry and IT Implementation”, Seoul National University, Defended on July 2010.

Advisor of Ph.D. Thesis in Economics by Borg Seng “Essays on The Effects of Development Infrastructure on Productivity Growth”, Defended on June 2010.

Advisor of Ph.D. Thesis in Economics by Firas H. Al-Hammadany, “Essays on the Determinants of Internet Use and it’s Diffusion in Iraq: Empirical Implications for Policy Making”, Seoul National University, Defended on May 2010.

Chair and Member of the Evaluation Committee of the Ph.D. Thesis in Economics by Nguyen Viet Long, “Study on Consumer Preference for Internet Service in Rural Area of Vietnam”, Seoul National University, Defended on December 2009.

Advisor of Ph.D. Thesis in Economics by Nam Tran-Quey, “Evaluation of Wage Inequality, Firm Performance and Industrial Technology Policy in Vietnam”, Seoul National University, Defended on December 2009.

Advisor of the Ph.D. Thesis in Economics by Flavio Lenz-Cesar, “Determinants and Policy Simulation of Firms cooperation in Innovation”, Seoul National University, Defended on June 2009.

Chair and Member of the Evaluation Committee of the Ph.D. Thesis in Economics by Dukrok Suh, “Research on Software Intellectual Property Protection and its Effect on Productivity of Software Industry”, Seoul National University, Defended on June 2009.

Chair and Member of the Evaluation Committee of the Ph.D. Thesis in Economics by Ashraf Bany, “Essays on Grid e-Infrastructures Economics and Business Models”, Seoul National University, Defended on June 2009.

Member of the Evaluation Committee of the Ph.D. Thesis in Economics by Minkyu Lee, “The Diffusion of Multiple Technologies: Application to Telecommunication, Broadcasting, and Internet Services”, Seoul National University, Defended on January 2009.

Member of the Evaluation Committee of the Ph.D. Thesis in Engineering by Aung-Kyaw Oh, “A Buyer-Centric Study on the Critical Success Factors in Public Procurement: a Case-study on E-government Implementation in Myanmar”, Seoul National University, Defended on January 2009.

Member of the Evaluation Committee of the Ph.D. Thesis in Economics by Jae-Young Choi, “Demand Forecasting for New Product using Ex-ante Simulations and Market Segmentation”, Seoul National University, Defended on January 2009.

Member of the Evaluation Committee of the Ph.D. Thesis in Economics by Jeong-Sook Han, “Industrial Dynamics in Perspectives of Technological Regime, Industry Life Cycle and Resource-Based View: Micro-evidence from Korean Manufacturing”, Seoul National University, Defended on January 2009.

External Examiner of the Ph.D. Candidate Jorah Ramlan, “Information and Communications Technology: a Study of its Impact on Economic Growth in Malaysia”, Multimedia University, Malaysia, July 2008.

Advisor of one chapter of the Ph.D. Candidate Laura Arranz-Aperte thesis, “Determinants of Profit Sharing in the Finnish Corporate Sector”, Swedish School of Economics, Helsinki, Finland, Expected Defence 2008.

Advisor of one chapter of the Ph.D. Candidate Timo Sipiläinen thesis, “Components of Productivity Growth in Finnish Agriculture”, Helsinki University, Helsinki, Finland, Defence April 2008.

Advisor of two chapters of the Ph.D. Candidate Dany Aoun, “Research on the Financial Choices of ICT Companies: Evidence from NASDAQ”, Defence Spring 2007.

Advisor of one chapter of Ph.D. Candidate Adnan Al-Mutawkkil, “ICT and its Role as Infrastructure for Economic Development in the Middle East”, Defence Spring 2007.

Advisor of two chapters of the Ph.D. Candidate Ossi Lindström thesis, “Ex Ante Discrimination of Capital Structure Theories”, and “Interacting Demand and Supply Conditions in European Banking”, Helsinki School of Economics, Helsinki, Finland, Defence Spring 2007.

Advisor of one chapter of the Ph.D. Candidate Adane Tuffa Debela thesis, “An Evaluation of the Impacts of Economic Reform on Performance of Agriculture in Ethiopia”, Agricultural University of Norway, Ås, Norway, Defence Spring 2007.

External Examiner of the Ph.D. Candidate Yaovarate Chaovanapoophol, “The Impact of Financial Services on the Performance of Rice Farmers in the Upper North of Thailand”, University of New England, Australia, May 2006.

Advisor of one chapter of the Ph.D. Candidate Ali Saggay thesis, “Effects of Trade Liberalization on Domestic Price: Some Evidence from Tunisian Manufacturing”, Laboratoire d’Economie et de Gestion Industrielle (LEGI), Ecole polytechnique de Tunisie, La Marsa, Tunisie, Defence, Fall 2006.

Advisor of two chapters of the Ph.D. Candidate Amit Kumar Bhandari thesis, “Labour Use and its Adjustment in Indian Manufacturing”, and “Measurement of Globalization and its Variations among Countries, Regions and over Time”, University of Kalyani, West Bengal, India, Defence Spring 2007.

Advisor of one chapter of the Ph.D. Candidate Jaan Masso thesis, “Optimality and Overuse of Labour in Estonian Manufacturing Enterprises”, University of Tartu, Tartu, Estonia, Defence November 2005.

Advisor of one chapter of the Ph.D. Candidate Roghieh Gholami thesis, “The Causal Relationship between Information and Communication Technology and Foreign Direct Investment”, National University of Singapore, Singapore, Defence Fall 2005.

Advisor of one chapter of the Ph.D. candidate Minna Väre thesis, “Determinants of Farmer Retirement and Farmer Succession in Finland”, University of Helsinki, Helsinki, Finland, Defence Fall 2007.

Advisor of two chapters of the Ph.D. Candidate Ilham Haouas thesis, “The Impacts of Trade Liberalization on Employment and Wages in the Tunisian Industries”, and “Labour-Use efficiency in the Tunisian’s Manufacturing Industries: A Flexible Adjustment Model”, University of Paris 1, Paris, France, 2004.

Member of the Evaluation Committee of the Ph.D. candidate Monica Campos Labbe, “The Economics of Technologies in Swedish Pig Production”, Department of Economics, Swedish University of Agriculture, Sweden, January 2004.

Advisor of the Ph.D. candidate Kiumars Aghaie, “Production of Steel in Iran”, Department of Economics, University of Isfahan, Iran, April 2003.

Member of the Evaluation Committee of the Ph.D. candidate Henrik Jaldell, “Essays on the Performance of Fire and Rescue Services”, Gothenburg University, Sweden, June 2002.

Advisor of the Ph.D. candidate Hans Lööf, “The Knowledge Production Function: Evidence from New Micro Data”, Royal Institute of Technology, Industrial Economics and Management, Stockholm, Sweden, February 2002.

External Examiner of the Ph.D. candidate Sabtir Singh, “Performance of Dairy Cooperatives and Private Dairies at the Milk Plant Level in India”, University of New England, Australia, June 2000.

Member of the Advisory Committee of the Ph.D. candidate Aziz Ponary Mlima, “Four Essays on Efficiency and Productivity in Swedish Banking”, Department of Economics, Gothenburg University, Sweden, December 1999.

Member of the Advisory Committee of the Ph.D. candidate Alimorad Sharifi, “The Electricity Supply Industry in Iran: Organization, Performance and Future Development”, Department of Economics, Gothenburg University, Sweden, February 1999.

Member of the Evaluation Committee of the Ph.D. candidate Peter Jochumzen, “Essays in Econometric Theory”, University of Lund, Sweden, October 1998.

Member of the Advisory Committee of the Ph.D. candidate Mkhululi Ncube, “Analysis of Employment Behaviour in Zimbabwe”, Department of Economics, Gothenburg University, Sweden, June 1998.

Member of the Evaluation Committee of the Ph.D. candidate Ragnar Tveterås, “Econometric Modeling of Production Technology under Risk: The Case of the Norwegian Salmon Aquaculture Industry”, Department of Economics and Centre for Fisheries Economics, Norwegian School of Economics and Business Administration, Bergen-Sandviken, Norway, January 1998.

Member of the Advisory Committee of the Ph.D. candidate Nosratollah Nafar, “Efficiency and Productivity in Iranian Manufacturing Industries”, Department of Economics, Gothenburg University, Sweden, October 1997.

Member of the Advisory Committee of the Ph.D. candidate Mihai Cotfas, “Essays on Productivity and Efficiency in the Romanian Cement Industry”, Department of Economics, Gothenburg University, Sweden, June, 1997.

### **Licentiate and MSc Thesis:**

Advisor of MSc thesis in Industrial Economics by Juliana Kulakova, “The impact of Environmental, Social and Corporate Governance (ESG) practices on the financial performance of companies in emerging and frontier markets”, Royal Institute of Technology, Sweden, defended on September 2018.

Advisor of MSc thesis in Industrial Economics by Hampus Åkerstrand, “Do Housing Prices Affect Loan Supply? Evidence from Sweden During the Post-Crisis Period”, Royal Institute of Technology, Sweden, defended on June 2018.

Advisor of MSc thesis in Industrial Economics by Johanna Gustafsson and Sara Loden, “Main Determinants of Patent Transfers in Sweden”, Royal Institute of Technology, Sweden, defended on June 2018.

Advisor of MSc thesis in Industrial Economics by Josef Aguz and Ossian Markiewicz, “Exploring the Relationship between Housing and Stock Price”, Royal Institute of Technology, Sweden, defended on June 2018.

Advisor of MSc thesis in Industrial Economics by August Krajewski and Oskar Löfberg, “The Round – An Observational Study of Ward 4 at Norrtälje Hospital”, Royal Institute of Technology, Sweden, defended on June 2018.

Advisor of MSc thesis in Economics by Yhesaem Park, “Women’s Poverty in Korea: Focusing on the Characteristics of Labor Market by Gender”, Sogang University, Defended on June 11, 2018.

Advisor of MSc thesis in Economics by Seyoung Chae, “The Effects of Lifetime Work Experience on Incidence and Severity of the Elderly Poverty in Korea”, Sogang University, Defended on June 2017.

Advisor of MSc thesis in Economics by Namseok Kim, “The Relationship between Economic Growth and Democracy: Alternative Representations of Technological Changes”, Sogang University, Defended on June 2017.

Advisor of MSc thesis in Development Economics by Gisele Umuhoza Cyuzuzo, “Factors influencing the development of the capital markets in a developing economy: Rwanda Stock Exchange”, Defended on June 17, 2017.

Advisor of MSc thesis in Development Economics by Marie Chantal Umutesi, “Analysis of the Causative Factors of Trade Flows between Rwanda and its main Trading Partners”, Defended on June 17, 2017.

Advisor of MSc thesis in Development Economics by Barham Muhire, “Employment in Manufacturing and Service Firms in Rwanda”, Defended on June 17, 2017.

Advisor of MSc thesis in Economics by Lyubov Tsoyk, “Impact of Financial Crises on Dynamics of Capital Structure: Evidence from Korean Listed Companies”, Sogang University, Defended on December 2016.

Advisor of MSc thesis in Economics by Bobae Noh, “Does Official Development Assistance Affect Donor’s Export? Case of Korea”, Sogang University, Defended on December 2016.

Advisor of MSc thesis in Development Economics by Desire Sekanabo, “Evaluating the effect of Foreign aid on economic growth of Rwanda”, Defended on June 24, 2016.

Advisor of MSc thesis in Development Economics by Bernard Harerimana, “Analyzing impact of agriculture public expenditure on economic growth in Rwanda”, Defended on June 24, 2016.

Advisor of MSc thesis in Development Economics by Eric Uwitozne, “Analysis of service sector growth and its determinants in Rwanda”, Defended on June 24, 2016.

Advisor of MSc thesis in Development Economics by Abdou Musonera, “Measuring Effects of New Agricultural Policies on Production: Maize and Wheat in Gicumbi District 2011-2014”, Defended on December 10, 2015.

Advisor of MSc thesis in Development Economics by Donat Nkurikiyintwali, “Measuring Women’s Empowerment in Rwanda”, Defended on December 10, 2015.

Advisor of MSc thesis in Development Economics by Diogene Dusabiyaremye, “Effects of Microfinance Credits on Poverty Alleviation in Rural Rwanda”, Defended on December 10, 2015.

Advisor (shared) of MSc thesis in Economics by Wen Lu, “Household Saving Decisions: Chinese Provinces and OECD Countries”, Jönköping International Business School, Defended on February 2015.

Advisor of MSc thesis in Economics by Sungwook Cho, “What if you had been less fortunate The effects of poor family background on current labor market outcomes”, Sogang University, Defended on June 2014.

Advisor of MSc Thesis in Industrial Engineering by Mohammad Rahimpour, “Statistical Analysis of the Role of SMEs in Regional Industrial and Economic Development: Evidence from Kurdistan Province”, Kharazmi University, Teheran, Iran, Defended on June 2014.

Advisor of MSc Thesis in Food and Resource Economics by Biwei Su, “What is Behind the Income Disparity in China?”, The Determinants, Gap, and Distribution of Urban and Rural Income”, Korea University, Defended on December 2012.

Advisor of MSc Thesis in Engineering by Erkhemchimeg Byambasuren, “Natural Resources as an Engine of Economic Development in Mongolia”, Seoul National University, Defended on December 2010.

Advisor of MSc Thesis in Engineering by Nabaz Khayyat, “Adoption of Mobile Telephony and its User Satisfaction in Kurdistan Region of Iraq: Empirical Analysis”, Seoul National University, Defended on December 2010.

Advisor of M.Sc. Thesis in Economics by Sun Peng, “International Trade and its Effects on Economic Growth in China”, Defended on December 2009

Advisor of M.Sc. Thesis in Economics by Mihaela Apostol, “The Role ICT in the Economic Growth of Regions”, Defended on December 2009.

Advisor of M.Sc. Thesis in Economics by Elyor B. Rakhmanov, “The Barriers Affecting E-Government in Uzbekistan”, Defended on December 2009.

Advisor of M.Sc. Thesis in Economics by Yeonhak Kim, “Relationship between Interdependent Stages of Korean Electricity Industry”, Defended on December 2009.

Advisor of M.Sc. Thesis in Engineering by Shaofei Wang, “The Relationship between Efficiency and Ownership Structure; The Case of China’s ICT Listed Companies”, Seoul National University, Defended on December 2008.

Advisor of M.Sc. Thesis in Engineering by Rachid El-Rhinaoui, “Mobile Operators of MENA Region: Impact of Foreign Ownership and Market Share on Financial Performance and Traffic”, Seoul National University, Defended on December 2008.

Advisor of M.Sc. Thesis in Engineering by Sergio Miguel Borja Barrera, “A Comparison of Efficiency of Mobile Operators in South America”, Seoul National University, Defended on December 2008.

Advisor of M.Sc. Thesis in Engineering by Hertadi Iman Santoso, “Efficiency in Public Sector: The Case of Postal Service in Indonesia”, Seoul National University, Defended on December 2008.

External Examiner of the Licentiate Candidate Joel Karlsson, Växjö University, Sweden, Defended on February 12, 2009.

Advisor to MSc Candidate Wang Boyong, “Regional and Sectoral Determinants of Foreign Direct Investment in China”, Defence December 2006.

Advisor to MSc Candidate Zheng Yu, “Performance and Contribution of Science Parks to Economic Growth in China”, Defence December 2006.

Advisor of MSc Candidate Deddy Kartika Utama, “The Impacts of Restructuring and Decentralization Policies on Regional ICT and Economic Development in Indonesia”, December 2005.

Advisor of MSc Candidate Malis Sun, “Utilization of E-Government in Delivery of Public Services in South East Asia”, December 2005.

Advisor of the MSc Thesis Jaewon Kang, “The Effect of Credit Guarantees on Survival and Performance of SMEs in Korea”, Techno-Economics and Policy Program, College of Engineering, Seoul National University, Seoul, South Korea, July 2005.
