<b>2001</b>	<b>HDR (Hability to supervise PhD) in international and environmental Economics</b> University of Nice Sophia-Antipolis, France
<b>1998</b>	Qualification for Assistant Professor of Economics by the French National University Council
<b>1997</b>	<b>Ph.D in International Economics</b> University of Nice Sophia-Antipolis, France.
<b>1991</b>	<b>Research Master in industrial Economics and Finance</b> University of Nice Sophia-Antipolis, France
<b>1991</b>	<b>Professional Master in Industrial Development and innovation</b> University of Nice Sophia-Antipolis, France

## Language proficiency

	<i>Reading</i>	<i>Speaking</i>	<i>Writing</i>
<b>French</b>	5	5	5
<b>English</b>	5	5	5
<b>Arabic</b>	5	5	5
<b>Italian</b>	2	3	1
<b>German</b>	1	1	1

## AFFILIATION

GREDE-CNRS, Fastlane Consulting and Research, ARC Group International,  
Economic Research Forum, Arab Governance Institute, MENAPAR, GLO...

## *Main qualifications and skills*

**Doctor of Economics and Professor of Economics.** He is a lecturer at the Université Côte d'Azur and a member of the CNRS research laboratory (GREDEG - CNR UMR 7321). He teaches at the Higher Institute of Economics and Management. He is qualified to direct research, qualified by the CNU for the position of University Professor. Adel BEN YOUSSEF has taught in many schools and universities in several countries: Université Paris Sud, EDHEC Business School, Supélec Paris, Ecole Centrale de Paris, Cairo University, Mundiapolis Casablanca (Morocco), EDI (Algiers), ESSEC Tunis, ESC Tunis, IAE de Gafsa, International School of Ha-Noi (Viet-Nam), Wuhan University (China) and Pristina University (Kosovo).

**More than 20 years of teaching experience.** He has extensive experience in the education and training system, the adequacy of training, education and employment as well as the labour market. He has already participated in several projects in this field.

**Excellent project coordination skills.** Adel Ben Youssef is an international expert for many international institutions (African Development Bank, GIZ, UNDP, European Union, World Bank, French Development Agency, etc.). He has been associated with several major international projects such as the strategy for the development of human capital in Africa (HCS 2014-2018), the entrepreneurship platform in North Africa (2018-2021), the deployment of renewable energies in the MENA region or the strengthening of digital skills in Europe. He has conducted studies on the digitalisation of the economy in the Mediterranean.

**Negotiator at COP 23, 24, 25 & 26 (2017 - 2018 - 2019-2021) on behalf of Tunisia** in terms of climate finance, but also committed to updating the nationally determined contribution, the low-carbon strategy, the climate change adaptation strategy and the National Urban Policy. These participations allowed him to establish contact with a wide network.

**Expert in digitalization.** Currently Adel BEN YOUSSEF is conducting the prospective study on the digitalization of Tunisia by the 2056 deadline (ITES) and the study on the future labor market as part of the GIZ Industry 4.0 project.

## *Main qualifications and skills*

**More than 25 years' experience on qualitative and quantitative research.** He has already conducted several qualitative and quantitative research in several fields like labor economics, digital economics, environmental economics, skills, education, climate change, tourism...

**Excellent communication and presentation skills.** He has been involved in the animation of a hundred workshops over the past 25 years, which has enabled to have a perfect knowledge of participants' profiles, their characteristics and the methodologies to be adopted. The training that can be offered will use innovative session facilitation practices like Design Thinking and Lean Methodologies. His expertise in training, academy and professional coaches provides him with strong capacities and skills in communication and presentation with innovative, practical and relevant approaches.

**Strong facilitation skills:** Facilitated or managed facilitation, including development of agenda and preparing speakers, for many events. Dr. Ben Youssef was implied in the coordination committee or in the scientific committee of more than 50 scientific and cultural events. He was link person of more than 10 big events and symposiums.

**Multilingual.** He is multilingual (English, French, Arabic, German and Italian) and he has coordinated several research projects in multilingual and multicultural settings.

**Excellent writing and analytical skills.** Writing and/or editing of materials, brochures, talking points, and presentations for all the work listed above. Dr. Ben Youssef has published more than 100 academic papers in different fields like: World Development, Environmental and Resources Economics, Ecological Economics, Small Business Economics, Technological Forecasting and Structural Change, Journal of Agriculture and Food Industrial Organization, Energy Policy, Energy Economics, Economic Modelling, Energy and Development Economics, International Strategic Management, Middle East Development Journal, Economics Bulletin, L'Industria, International Journal of Computer and Information Technology, Education and Information Technology, Journal of Applied Business Research, European Journal of Industrial Economics and Policy

## WORK EXPERIENCE

---

- 2009-Present**     ***Ass. Professor of Economics at the University Côte d’Azur***
- Lectures in Micro-economics, Digital Economics, Labor Economics & Environmental Economics;
  - Organize and facilitate workshops and conferences;
  - Supervision of Ph.D Students (5);
  - Seminars in Human Resources Development strategies;
  - Research and write assessments, reports, and other analytical documents
  - Publications of more than 80 academic papers
- 1999-2009**     ***Ass. Professor of Economics at the University of Paris Sud***
- Lectures in Micro-economics, Environmental Economics, Digital Economics;
  - Organize and facilitate workshops and conferences;
  - Supervision of Ph.D Students;
  - Coordination of the Master European Markets and Firms strategies (English programme)
- 1992-2005**     ***Professor of Economics at Ecole Supérieure d’Electricité de Paris (SupElec Paris – One of the top 5 leading engineering School in France)***
- Lectures in Micro-Economics;
  - Lectures in European Economics;
  - Conducted several research and analysis for the EDHEC Group;
  - Corporate training for banking companies
- 1992-2005**     ***Professor of Economics at EDHEC Business School – One of the Top 5 leading Business School in France)***
- Lectures in Micro-Economics;
  - Lectures in European Economics;
  - Conducted several research and analysis for the EDHEC Group
  - Corporate training for banking companies
- 2002-2020**     ***Visiting Professor***
- University of Pristina – Kosovo
  - University of Wuhan – Republic of China
  - University of Belgrade - Serbia
  - University of Hanoi – Republic of Viet-Nam
  - University of Cairo – Republic of Egypt
  - University of Gafsa – ESSEC Tunis – ESC Tunis – Republic of Tunisia
  - Mundiapolis Casablanca – Kingdom of Morocco;
  - Ecole EADI – Republic of Algeria
