

Khaled Nasri

El-Zitouna District
Sened 2190,Gafsa,Tunisia
☎ +216 92 44 25 19
✉ kholina86@yahoo.fr

Date and Place of Birth **June. 12. 1986, Sened Gafsa, Tunisia**

Nationality **Tunisian**

Research Areas of Interest

- **Applied Statistics and Econometrics.**
- **Mathematical Modeling and Fuzzy Logic .**
- **Vulnerability ; Multidimensional Poverty & Crisis and Resilience.**
- **Evaluation of Public Policies & Social Programs .**

Education and Diplomas

2013–2017 **PhD in Economics Sciences (Quantitative Methods)**, Faculty of Economic Science and Management of Tunis,University of Tunis El Manar, Tunisia.

2009–2011 **Master in Mathematical Economics and Econometrics**, Faculty of Economic Science and Management of Tunis,University of Tunis El Manar, Tunisia.

2008–2009 **Professorship in Quantitative Methods (Econometrics)**, Faculty of Economic Science and Management of Tunis,University of Tunis El Manar, Tunisia.

2005–2007 **First Cycle Diploma in Economics Sciences**, Faculty of Economic Science and Management of Tunis,University of Tunis El Manar, Tunisia.

2005–2006 **First year of Economics Sciences**, Faculty of Economic Science and Management of Tunis,University of Tunis El Manar, Tunisia.

2005 **Baccalaureate degree in Mathematics**, Sened Secondary school, Gafsa,Tunisia.

Master

Title ***Gravity model in bilateral international trade : comparison of estimation methods***
Supervisor **Professor Ahmed Salah**

Thesis

Title ***Regional Multidimensional Poverty and Targeting Policies : An Analysis on Tunisian Data.***
Supervisor **Professor Besma Belhadj**

Awards and Honors

- 2014-2015 Laureate at the sub-regional methodological workshop on social sciences for North Africa), CODESRIA and CRASC,Oran-Algeria
- 2017-2018 Doctoral dissertation selected among the best theses supported in economics), Academic Year : 2017-2018 at the Faculty of Economic Science and Management of Tunis

2018-2019 Carnegie Fellowship on Economic Vulnerability in the Arab World), University of Minnesota, USA

Capacity Building, Academic Contributions & Field Expertise

2012-2013 Limited Futures Contract as investigator, Centre of Research, Studies, Documentation and Information on Women, Ministry of Women, Family and Childhood, Tunisia, Project of Economic empowerment of women : launching projects and employment

2020-2021 Reflection Workshop, Post covid 19 research trends, Faculty of Economic Science and Management of Tunis

2020-2021 Statistical surveys, The economic impact of covid-19 on individuals and Firms in Tunisia, with ERF data team

2020-2022 Ford Foundation Research Project, Reimagining Social Protection in Jordan and Tunisia, with ERF team

2024 Online Training Workshop on Machine Learning for Economic Analysis), Economic Research Forum

2025 Expert Academic Reviewer; Project : Academic Training Cluster on SDG Localization, UN-HABITAT& Center for International Policy Studies (CeSPI)

Pedagogical Activities

2024-Present **Assistant Professor**, Department of Quantitative methods, Higher Institute of Management, University of Gabes, Tunisia, Econometrics of time series(Level : Master-1).

2023-2024 **Assistant-vacation**, Department of Quantitative methods, Faculty of Economic Science and Management of Tunis, University of Tunis El Manar, Tunisia, Structural Equation modeling (PLS-SEM)(Level : Master-2).

2023-2024 **Assistant**, Department of Quantitative methods, Faculty of Economic Science and Management of Nabeul, University of Carthage, Tunisia, Survey and polling(Level :3LCFI).

2022-2023 **Assistant**, Department of Quantitative methods, Faculty of Economic Science and Management of Tunis, University of Tunis El Manar, Tunisia, Quantitative and Qualitative analyzes(Level :3LMNG)and Introduction to Applied Econometrics Analysis Using Stata (Level :3FIN).

2022-2023 **Assistant**, Department of Quantitative methods, Faculty of Economic Science and Management of Nabeul, University of Carthage, Tunisia, Financial Econometrics and Data Analysis(Level :Master-1).

2019-2022 **Assistant**, Esprit School of Business, Statistical Analysis with R and Probability and Statistics (Level :Master-1).

2019-2020 **Assistant**, Department of Quantitative methods, Faculty of Economic Science and Management of Tunis, University of Tunis El Manar, Tunisia, TD in Econometrics (Level :3LFMFB).

2013-2019 **Assistant**, Department of Quantitative methods, Faculty of Economic Science and Management of Nabeul, University of Carthage, Tunisia, TD in Statistical Inference (Level :2LFG and 2LMFB),TD in Algebra (Level :1LAE), TD in Econometrics (Level :3LFMFB).

2015–2017 **Assistant-vacation**, High School of Health Sciences and Technologies Tunis, University of Tunis El Manar, Tunisia, Course and TDs in Biostatistics (Blind and visually impaired students, Level :3 in Physiotherapy).

2013–2014 **Assistant-vacation**, Faculty of Mathematical, Physical and Natural Sciences of Tunis, University of Tunis El Manar, Tunisia, Course and TDs in Culture of Leadership (Level :2LFM, 3LFPH),.

Supervision

- [1] **Radhouani Moetez,(2017-2018)**, Master's degree, FSEGN, University of Carthage, (With Pr. Besma Belhadj).
- [2] **Ben Khalifa Cherifa,2017-2018)**, Master's degree, FSEGN, University of Carthage, (With Pr. Besma Belhadj).

Software Skills

Econometric and Statistical software
STATA, SPSS, R, DASP, Eviews,fsQCA

Desktop Editing and Productivity
Microsoft Office (Word, Excel, Power Point), L^AT_EX, Beamer

Refreeing Service
