Academic Employment History

Professor, Department of Economics, University of Ottawa (since 2007)

Associate Professor, Department of Economics, Université de Sherbrooke (2004 to 2007)

Assistant Professor, Department of Economics, Université de Sherbrooke (2000 to 2004)

Research Fellow, Department of Development Economics, Vrije Universiteit Amsterdam (1999 to 2000)

Education

Ph.D. Economics, Université Laval, 1999.

B.Sc. Actuarial Science, Université Laval, 1989.

Editorial roles

Associate Editor of the *Journal of Economic Inequality*. (since 2019)

Associate Editor of *Economics Bulletin*. (2016 to 2019)

Member of the editorial board of *l'Actualité économique - Revue d'analyse économique*. (2004 to 2012)

Academic associations roles

President of the Association for Social Economics (2022)

President of the Société canadienne de science économique (2021-2022)

President-elect of the Association for Social Economics (2021)

President-elect of the Société canadienne de science économique (2019 to 2021)

Vice-President of the Association for Social Economics (2020)

Program Secretary of the Association for Social Economics (2017 to 2019)

Thematic Leader for the Inequality and Inclusive Growth theme of the Economic Research Forum for the Arab Countries, Iran and Turkey (2017 to 2019)

Member of the executive council of the Société canadienne de science économique. (2002 to 2005 and 2012 to 2015)

Refereeing roles

Refereeing for academic journals: *Actualité économique, Applied Economics, BE Journal of Economic Analysis and Policy, Canadian Journal of Economics, Canadian Tax Journal, Canadian Public Policy, Economic Development and Cultural Change, Economic Modelling, Economic Research International, Economics Bulletin, Energy Studies Review, Environmental and Ecological Statistics, Environmental and Resource Economics, European Journal of Health Economics, FinanzArchiv/Public Finance Analysis, Hacienda Pública Española/Review of Public Economics, Health Economics, Journal of Agricultural and Food Industrial Organization, Journal of Asian Economics, Journal of Economic Inequality, Journal of Economic Interaction and Coordination, Journal of Economic Theory, Journal of Economics, Journal of Health Economics, Journal of Human Development and Capabilities, Journal of Mathematical Economics, Journal of Population Economics, Journal of Public Economics, Mathematical Social Science, Oxford Economic Papers, Paneconomicus, Perspective Afrique, Plos One, Preventive Medicine, Portuguese Economic Journal, Revue économique, Review of Income and Wealth, Review of International Economics, Review of Middle East Economics and Finance, Social Choice and Welfare, Social Indicators Research, Social Science & Medicine, World Development.*

Refereeing for national grant agencies: Social Sciences and Humanities Research Council of Canada, Fonds de recherche sur la société et la culture du Québec, Fond National de la Recherche du Luxembourg and Research Foundation-Flanders (FWO).

Other professional services

Supervisor of the MA Program in Economics, University of Ottawa (2018 to 2020)

Consultant:

United Nations Economic and Social Commission for Western Asia (2020 to 2021)

Canadian Mortgage and Housing Corporation (2018 to 2021)

World Bank (1999 to 2008)

Ministère de la Santé et des services sociaux du Québec (2007)

Ministère de l'Emploi de la solidarité sociale et de la famille du Québec (2004)

Chair of the William R. Waters Research Grant committee, Association for Social Economics (2020)

Member of the William R. Waters Research Grant committee, Association for Social Economics (2019)

Co-lead author of the UN-ESCWA/ERF report *Rethinking Inequality in Arab Countries* (2018 to 2019).

Member of the Association for Social Economics Summer School & Rima Scholarship committee, Association for Social Economics (2018)

Member of the program committee of the North American Productivity Workshop IX (2016).

Member of the "Comité directeur des Rendez-vous stratégiques sur les inégalités de revenus et de richesses" at the Institut du Nouveau Monde (2012 to 2015).

External reviewer representing Conseil supérieur de l'éducation du Québec for a new graduate program in quantitative finance proposed by Université du Québec en Outaouais (2012).

Member of the selection committee of the Programme canadien de bourses de la Francophonie. (2003 to 2005).

Papers under review in refereed journals

Bchi, K., P. Makdissi, and M. Yazbeck, A recentered influence function regression approach to health concentration curves.

Khaled, M.A., P. Makdissi, D.S.P. Rao, and M. Yazbeck, A unidimensional representation of multidimensional inequality, with an application to the Arab region.

Makdissi, P., W. Marrouch, and M. Yazbeck, Monitoring poverty in a data deprived environment: The case of Lebanon.

Publications in refereed journals

There is no official economics journal ranking in Canada. Publications are ranked according to the 2020 Categorization of Journals in Economics and Management of the CNRS (France). The CNRS Categories 1, 2, 3, 4 closely correlate to the ABDC Categories A*, A, B, C.

Career: 10 Category 1 publications, and 15 Category 2 publications.

Khaled, M., P. Makdissi and M. Yazbeck (2023), On absolute socioeconomic health inequality, *European Journal of Health Economics*, 24, 5-25 (CNRS journal ranking 2)
