REFEREE FOR JOURNALS AND ORGANIZATIONS

- Referee providing scientific comments for evaluating research proposals in the frame of the Poverty and Economic Policy (PEP) project financed by the CIRPÉE – Université Laval via the IDRC.
- Participant in the IDRC – Asian Development Bank joint seminar on “Poverty, commerce, and growth” in Manila, October 29-30, 2003.
- Invited to participate in a round table discussion on micro-simulation modelling at United Nations University. Meeting organized by Tony Shorrocks of WIDER, June 1-3, 2003, in Helsinki. This involved sharing our experience on micro-simulation with four African countries taking part in a WIDER project.
- Referee providing scientific comments for evaluating research proposals in the frame of the SAGA (*Stratégies et Analyses pour le Développement et l'accès à la Croissance*) project financed by SISERA via USAID.
- Referee providing scientific comments on the reports of the African Economic Research Consortium (AERC).
- Referee providing scientific comments on the research reports of the Réseau de Politiques Économiques [network of economic policies] of CODESRIA (Dakar – Senegal) for the CRÉFA.
- Referee providing scientific comments for the CRÉA (UCAD, Dakar – Senegal)
- Resource person at the meeting of the ECOWAS – Payment System Project (Centre for Economic Policy Analysis [CEPA], Accra – Ghana) held in 2000 in Dakar and 2001 in Accra.

- Resource person at the meetings of the African Economic Research Consortium (AERC) held in Dakar on March 22-24, 2000.
- Referee for the *Journal of Applied Econometrics*.
- Referee for the journal *Economic Modelling*.
- Referee for the *Revue d'économie du développement*.
- Referee for *L'Actualité économique*.
